

# Common Application Form (CAF) for In-Year Admission or In-Year School Transfer to Primary School

## Guidance notes for parents who are applying for a school place or who want to transfer between schools

**By law, children aged between 5 and 16 must receive an education. This means that if your child is not in school you must apply for a school or tell the local authority what alternative arrangements you are making for their education.**

If your child has a Statement of Special Educational Needs or Education, Health and Care Plan and you want to ask for a school transfer, you must contact the SEN team on 020 7364 4430. They consider these applications separately from the process outlined below.

The London Borough of Tower Hamlets is part of the Pan-London Co-ordinated Admissions System. This means that you should list all the schools you want to apply for, both within and outside Tower Hamlets, on one application form. You should list the schools in order of preference, which will help us to co-ordinate this process. Where possible, we will seek to offer a place at the highest ranked school.

**If you are applying for a school in Tower Hamlets, you must complete this form.**

If you are not a resident of Tower Hamlets, please check to see whether you should also apply to your home local authority.

### Applying for a school place

- To obtain an application form, call 020 7364 5006, pick one up from Pupil Services, Tower Hamlets Council, Town Hall, Mulberry Place, 5 Clove Crescent, E14 2BG or download from our website at [www.towerhamlets.gov.uk](http://www.towerhamlets.gov.uk).
- Complete Part A of the application form. You must list all the schools you want to apply for, even if these schools are outside of Tower Hamlets. The admissions criteria for voluntary-aided (faith) schools, academies, free schools or schools outside Tower Hamlets may be different from our community schools, and you may need to complete other forms (Supplementary Information Forms). These can be obtained from the school and should also be returned to the school. We strongly recommend that you contact the relevant admission authority (local authority or school) for more information.
- Once you have completed Part A, you should ask the headteacher or senior member of staff at the school your child is currently attending to complete and sign Part B of the form. If your child is not in school, then Part B should be completed by the headteacher or a senior member of staff from their most recent school.

The information we ask for in this section is important as it could help the admissions team decide if your child is eligible to be considered under our Fair Access Protocol (FAP).

## WHAT HAPPENS NEXT

### If your child does not have a school place

- Your application form will be processed within ten school days. We will let you know if we can offer a place at any of your preferred schools. If this is not possible, we will allocate a place at the nearest available school. The school will then make arrangements for your child to start within a few days.
- We will expect your child to take up the offer of a school place within ten school days of the offer letter and you should contact Pupil Services if admission is delayed beyond this period.
- The place will not be kept for your child if you do not reply.

### If you want to transfer between schools

Once you have completed Part A, it is very important to arrange an appointment with the headteacher or senior member of staff of your child's current school to discuss the transfer.

- If you still want to go ahead with the transfer after this meeting, ask them to complete and sign Part B of the form and take a copy for the school records.
- Does your child or any other family member have needs we should know about? If so, you will need to supply written evidence e.g. a doctor's report to confirm a medical condition or a social care professional to confirm any other extenuating circumstance.
- Transfers will normally only take place at the beginning of a school term or after the school half term, if the term has already started.

If we can offer a school transfer then we will write to you to let you know in accordance with the timetable below and we will automatically remove your child's name from the waiting lists of any other preferred school(s).

Entry point	Closing date	Parent sent notification
Autumn half term Nov 2017 start	19 Sept 2017	6 Oct 2017
Spring term Jan 2018 start	21 Nov 2017	8 Dec 2017
Spring half term Feb 2018 start	16 Jan 2018	2 Feb 2018
Summer term April 2018 start	27 Feb 2018	16 Mar 2018
Summer half term June 2018 start	24 Apr 2018	11 May 2018
Autumn term Sept 2018 start	19 Jun 2018	6 Jul 2018

## Reapplying for a transfer

- If your child has been allocated a school place or offered a place at one of your preferred schools, and you would like to be considered for a further transfer you will need to submit a new application form.
- Please note that you will only be able to do this after your child has attended the new school for at least one term.

## PROCESSING YOUR APPLICATION

- Applications for transfers will be processed according to the timetable.
- Once we have received your form we will contact the school your child is currently attending to discuss the reason(s) for the transfer. It is therefore essential that Part B is fully completed.
- If there are vacancies at the schools you have asked for, we will give your child a place at the highest ranked school.
- We will expect your child to start at the new school in accordance with the transfer timetable.

Please note that unless you complete the receipt at the end of the application form, we will not acknowledge the receipt of your transfer application. We will notify you of the outcome of your application on the date specified in the timetable.

- If you have submitted your application via your home local authority, then you will also receive your notification letter from your local authority.
- If you would like an acknowledgement of your application form, you must complete the receipt and acknowledgement slip which can be found at the end of the application form.

### Right of appeal

- If we cannot offer your child a place at your preferred school because the school is full in your child's year group or other children had a higher priority under the admission criteria, you will be given the right of appeal against this decision.
- You can only appeal once for each school within a school year.
- However, if there has been a relevant and major change in your family's circumstances, we may consider a second application and subsequent appeal.
- You must appeal in writing, and this should be done ideally within 21 days of being informed that a place cannot be offered. Appeals are heard by an independent appeals panel.
- You should note that appeals are rarely successful, particularly for children between the ages of 5-7 years old. This is because the government has placed limits on class sizes in this age range.

### Waiting list

- If your application for a transfer is not successful, your child's name will remain on the waiting list for that academic year and you will only be contacted again if it is possible to offer a place in future.
- Places in schools are offered to children based on our admission criteria and not on the date we received your form.

- Your child's position on the waiting list for a school is determined only by these criteria.
- Your application is only valid for the school year in which it is submitted. If you want your child to stay on the waiting list for the following year you have to submit a new application after 1 September.

## RETURNING YOUR FORM

Send the completed application form (Parts A and B) to us. You can do this in one of three ways:

**In person** – bring your form to Pupil Services at Tower Hamlets Council, Town Hall, Mulberry Place, 5 Clove Crescent, E14 2BG, open Monday to Friday, 9am-5pm.

**By post** – to Pupil Services at the above address.

**By email** – to [school.admissions@towerhamlets.gov.uk](mailto:school.admissions@towerhamlets.gov.uk)

If you send a postal application, we suggest you do so by recorded delivery as we must see original documents. It is your responsibility to make sure you pay the correct postage charge, as we cannot accept any responsibility for underpaid packages. Proof of posting is not proof that we have received your form.

## IMPORTANT INFORMATION

### Voluntary-aided (faith school), free schools or academies

If you are applying to a voluntary-aided school, free school or academy please check the admission arrangement for each school to see if you also need to complete Supplementary Information Forms. These forms are used to collect additional information which will help the school to decide your application. They are available from the school and should also be returned to the school.

## PROVIDING THE CORRECT PROOF

Before admission to the school you (the parent or carer) will be required to provide proof of your address and the child's identity. Please ensure that you have the correct documentation required in order to avoid any unnecessary delay in the child's admission to school.

### Proof of address

The school will need to see original documents showing proof of your (the parent's or carer's) address. They may need your original council tax bill or council tax benefit letter or notice with one of the following documents to show your address:

- A utility bill (gas, electricity or water) from the last six months. We will not accept a mobile phone bill or an internet bill.
- A statement from your bank or building society or a credit card statement from the last six months.
- Your current home or motor insurance certificate. This must be from the last 12 months.

The local authority's council tax department will need to check the information you provide.

## Proof of child's identity (ID)

You will also be required to provide the school with two of the following documents before your child is admitted:

- Your Child Benefit entitlement letter from HM Revenue & Customs. This letter must have the name and date of birth details of your child. Your name and address on these documents must match the information on your application form.
- Medical registration card.
- IND card (issued by the Home Office with photo attached).
- Home Office paperwork (including child's name and date of birth).

If the address on the application form is different from the address the school has on their records, we will need proof of the child's address.

## COMPLETING YOUR FORM

It is the parent/guardian's responsibility to return the completed form (Parts A and B) to Pupil Services.

Please tick the correct box to indicate whether you are:

- Applying for a school place (my child does not have a school place).
- Applying for a transfer between schools (my child is already in school).

You must ensure that the correct box is ticked in order for your application to be processed correctly. The first box must only be ticked if your child is not on roll at a school and does not apply if your child is still on roll but no longer attending their previous school.

### Part A

#### Section 1 – Child's details

- Child's name – this should be your child's legal name given on their birth certificate or passport. You are responsible for making sure that you have used the same name on all the forms needed for your child's application and any errors may delay the processing of your application.
- Child's date of birth – please put the figures in the day, month and year boxes.
- Child's sex – please tick the relevant box to show if your child is male or female.
- Child's address – this must be the permanent address where the child lives with their parents or legal guardians and where Child Benefit is addressed. If you live outside of Tower Hamlets, please check to see whether you should apply through your home local authority or directly to Tower Hamlets.

You will need to provide proof of the child's date of birth and address to the school at which your child is offered a place (see Providing the Correct Proof on page 2).

- Previous home address – if you have recently moved, please provide the full address including name of country and date of move.
- Name of child's current school – please provide full details of your child's current school and address, if the school is outside of Tower Hamlets.

This information is important as we may be able to give priority to your application based on the distance from your home to the school.

If your child is not in school then you must provide the name of their previous school and ensure that Part B is completed by the previous school. If you are unable to do so, please make a note on Part B of the form and contact Pupil Services for further advice.

#### Section 2 – Children with additional needs

Please tick the relevant box to show if your child is undergoing statutory assessment or has any additional medical or social needs.

- Statement of SEN or Education, Health and Care Plan (EHCP) – if your child already has a statement or EHCP (issued in UK) then you should make your application directly through the SEN department. Please contact the SEN team on 020 7364 4880 or email [sen@towerhamlets.gov.uk](mailto:sen@towerhamlets.gov.uk) to discuss your application.
- Statutory assessment – if your child is currently undergoing assessment, please tick this box and provide supporting information.
- Any other needs – if you think there are exceptional medical or social reasons why your child should go to a particular school, please tick the relevant box and provide supporting evidence. These reasons can include factors affecting the child, the parents or other family members. If your child has a disability or severe medical condition you must tick this box and provide supporting evidence. You should also tick this box if you are a new arrival to the UK, and a statement of SEN was issued in your home country.

Supporting evidence must come from a professional (such as a hospital consultant or social worker) and explain the reasons why the school in question is the most suitable and the difficulties that would be caused if the child had to attend another school. We can only accept documents in English.

#### Section 3 – Children who are looked after

- Children looked after by the local authority, previously looked after children who have left care under a special arrangement (residence) or special guardianship order, or those adopted from local authority care. You should also provide a supporting letter from the social worker to confirm this.
- Privately fostered – please tick the relevant box and give full details of the fostering arrangements.

'Private fostering' is when a child or young person aged under 16 is cared for and provided with accommodation by an adult who is not a close relative (e.g. step-parent, grandparent or sibling) such as when a child is sent to this country for education or health care by their birth parents who live outside of the UK.

We need to see written evidence that you are the legal guardian and have parental responsibility for that child. Evidence includes a will or a court order or a statutory declaration.

Guardianship only applies if you can prove that you have full care of the child and their normal, permanent home is with you. It does not apply when picking up children to and from

school, or looking after them until their parents collect them. If you cannot prove guardianship, we will refer the application to social services while we process your form.

#### **Section 4 – Parent’s or carer’s details**

This should be the person or people with parental responsibility for the child named in Section 1.

- Please give your full name and contact details (including email address), and tick the relevant box to show your title and relationship to the child named in Section 1 (e.g. tick ‘other family member’ if you are a sister caring for the child).

Please remember to provide documents to prove you are the legal guardian if you are not the child’s natural parent. If your address is different from the child’s address, please explain why on a separate sheet of paper.

If you share custody of the child, please state this and give both addresses on a separate sheet of paper.

#### **Section 5 – Non-UK applicants**

- Please provide the name of the country the child was born in, the date of entry to the UK and the child’s first language.
- If the child is not yet in the UK, you should tick the correct box and make a note of when the place will be needed. This will help us to ensure that a place is offered at the right time.

If the child named in Section 1 was not born in the UK, it is important that you let us know so that the school can plan for and support your child’s admission.

If there are any gaps in the child’s education (for example if they have been out of school for long period of time) then you should provide an explanation for this on a separate piece of paper.

#### **Section 6 – School preferences**

You can apply for up to three schools on this form.

- School preference – for each school preference, please provide the name of the school and full address if the school is outside of the borough.
- Siblings – please give the details of any siblings (name, date of birth) who are attending the same school.
- The sibling must be on roll at the same school (excluding siblings in nursery). This is important to ensure that the correct priority is given to the application.
- Reasons for preference – please provide any reasons for the application and ensure that the appropriate supporting information is provided with the application.

#### **Section 7 – Declaration and signature of parent(s) or carer(s)**

The person/s with parental responsibility for the child named in Section 1 must sign the declaration to confirm they have read and understood the information in this booklet and that the information they have given is accurate.

### **PART B**

#### **Section 8 – Present or previous school details**

This section should be completed by the headteacher or a senior member of staff at the current or previous school attended by the child named in Section 1.

- Date transfer request form received – this is the date the form was handed to the school.
- Dates of attendance at this school – the school must complete start and end dates.
- Attendance – school should indicate current attendance level and provide up to date figures.
- Special needs – if the child has any special needs this should be correctly marked.
- Behaviour assessment – if there are any possible grounds for considering that this pupil should be transferred using the Fair Access Protocol (FAP), please indicate and provide full details in the ‘comments’ box on page 6.
- Common Assessment Framework (CAF) – if there is CAF this must be available on the eCAF system. Please tick as appropriate and provide a summary of the reasons for requesting the CAF.
- Attainment – the school must provide information on subjects being studied, current attainment and any other comments which may be relevant.
- Other agencies involved – the school should indicate if there are any other agencies involved and provide the contact details if there is an allocated social worker – it may be helpful for the social worker to add their comments here or provide a supporting letter.
- Other support provided – it is essential that schools provide full details of any support programme in place for pupils. If there has been a history of exclusion then this must be recorded here.
- Any other comments – the school should add any other information which may be relevant to planning the child’s admission such as a pupil’s medical condition.
- Contact details – the member of staff completing Part B must provide full contact details including telephone number and email address. They should clearly print their name, date, school details and stamp the form in order to verify authenticity.

#### **Please note**

It is essential that Part B is completed as this will be forwarded to the relevant school if the child is offered a school place or transfer.

If you are applying for a school transfer, the application will not be processed if Part B is incomplete and we will return the form to you for completion.

If the child is without a school place then an offer or allocation will be made whilst the relevant information is obtained. If you are experiencing difficulty in contacting a previous school please make a note on the form and contact Pupil Services.

The information provided in Part B will:

- help the admitting school to plan for and support the child’s admission
- enable the local authority to decide whether the application can be given priority under the Fair Access Protocol (FAP).

Failure to complete Part B may delay the processing of your application. However the information on Part B should not be used to refuse or delay admission.
