

Last week, School councillors from Years 3, 4, 5 and 6 attended a Zoom Pupil Parliament meeting. Due to the lockdown earlier in the year, School Councillors were unable to do a lot of the work they were going to do during Spring and Summer term. They had plans to raise awareness of Sustainable Development, Equality and Human Rights and Crime and Anti-Social Behaviour. School Councillors will now meet with Belinda and work out a plan of action to raise the profile of these issues over the coming year. Watch this space for more information! Well done to Sara, Shafqat, Zayan, Sadia, Ameera, Ikram, Khadijah and Usman.

Message from the Head

Dear parents and carers,

Over the last few weeks in school, we have undertaken a process to recruit an Associate Assistant Headteacher. This was an internal process as we know we have the talent at Kobi Nazrul to have this role fulfilled really successfully. We did this to increase our senior leadership capacity and in particular, appoint someone who can lead strategically on one of the next stages of our curriculum development; and that is to embed a set of concepts (more on that as we move through the year).

I am pleased to tell you that Anthony Bales was our successful candidate. I know you will join us in congratulating him; I am looking forward to developing our senior leadership team this year.

Year 5 parents, don't worry, Anthony will be continuing to teach in Year 5 as normal, this role is in addition to his class teaching responsibilities.

In assemblies this week (and PSHE lessons) we have been celebrating our own uniqueness and what makes us and each other special.

It inspired Aleena in Year 6 to create this piece of very powerful artwork. Thank you Aleena, for sharing such an important message through art and for doing this in your own time!

Have a great weekend, Belinda.

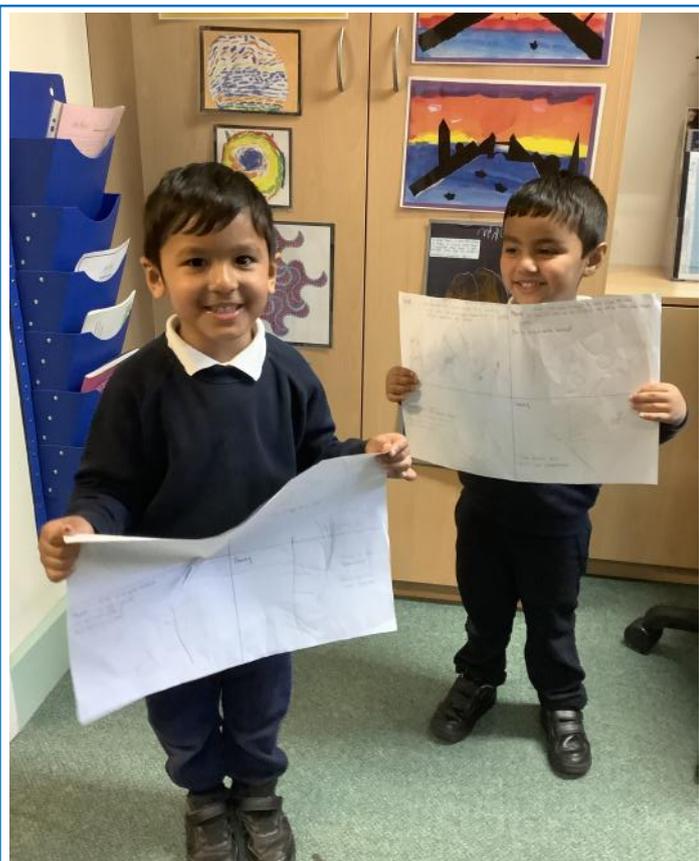

Parents and careers, please do join me if you can for a virtual coffee morning on Thursday 10th December at 9am. I can share updates with you and plans for the spring term but mostly, it's just great to catch up with you all before we head into the holiday break.

Next week, are really looking forward to welcoming back our fabulous class teacher Aleha Begum after her maternity leave, where she and her family welcomed baby Hannah. Aleha will be coming back to share the nursery class with Cath and continue to lead on science across the school. Welcome back, Aleha; we hope you've enjoyed such a special time with the family!

Well Done

Jibrael and Yusuf worked so hard using their Talk for Writing skills to map out the story of Jack and the Beanstalk.
Well done boys!
