

Message from the Head

Dear parents and carers,

It has been great this week to get back into school routines; I hope you have enjoyed the back to school vibe as well. No doubt your homes feeling a little emptier!

It has been interesting to come back and to already see differences between the first lockdown and the latest one. For example, we can see the positive impact teaching phonics over zoom every day has had.

Over the next 2 weeks, we will begin different types of assessments so that we can adjust the curriculum to make sure your children are making progressive next steps in their learning. We are certainly not starting from a deficit model though; we are very much looking to build on where they are at and over the coming weeks we will look deeply at what still needs to be taught. We have planned a parent / carer afternoon on April 28th. Enough time for us to have made full assessments but plenty of time left in the year to work on your child's learning together.

I'm looking forward to Red Nose day next week where children can pay £1 to dress in red or as a Superhero which is this year's theme!

Best wishes,
 Belinda

Well done to **Year 3** who are the **Attendance Champions**

If you want to be a champion, make sure you come to school on time every day!

Well Done

How amazing is Saffiyah's magical garden from the book 'The Magic Faraway Tree' by End Blyton. The effort and detail is outstanding! Well done Saffiyah!

We will be celebrating Red Nose Day next Friday, 19th March

Keep it simple - wear something red (or casual clothes if you don't have anything red)

Bring in £1 to go to Comic Relief
 Noses will be on sale from Monday (School Councillors will come round to classes)

They cost £1.50

They are now 100% plastic-free!

The boxes are closed so you don't know which nose you are going to get – there 8 possibilities

1 ultra-rare gold edition but only 1 in 800 chance of getting one... Will it be you...?
