

Message from the Head

Dear parents and carers,

We've had a very exciting day today raising money for Red Nose Day. Thank-you so much for your support. It really highlighted how much our children enjoy these special days; something they seem to have really missed since lockdown. It's the chance to have fun but also remind ourselves of those less fortunate and to think about the support we can offer, really reflecting on the value of giving. I will let you know how much we raised next week; thank-you so much for your support!

Next term, we would like to get some clubs up and running again. We will begin with sports clubs and a letter will go home next week outlining the clubs on offer. After our pupil progress meetings in the first few weeks back, we may identify some further 'catch up' clubs to provide some additional learning support.

It is hard to believe we only have one week to go before the holidays; we'll be sure to make it a great one!

Best wishes,
 Belinda

Attendance

Year Group	Week ending 12.03.21	Week ending 19.03.21
N	94.83%	91.56%
R	98.57%	92.39%
1	99.00%	99.33%
2	98.00%	97.33%
3	99.31%	99.31%
4	92.33%	98.60%
5	95.60%	93.93%
6	98.30%	96.92%
OVERALL	97.15%	96.51%

Well done to **Year 1** who are the **Attendance Champions**

If you want to be a champion, make sure you come to school on time every day!

NEWS

It was a lovely sunny day today and Sahal and Anisa helped Belinda feed the rabbits. They were so gentle: Cookie and Nibbles loved it!!

Last day of term:

Friday 26th March.

School will finish as normal. Doors will open at 3.10pm.

Families asked about this at the last zoom meeting and as it is a short term and we have missed so much school together already, we think it is a good idea too!

Can you believe it? Nusrat managed to find one of the RARE noses. There's only 800 of them!

Information

We have some old laptops and PCs which we are no longer using and are happy to give away to families for free. They have had the information on them securely deleted, and are set up and ready to use. They are about 8 years old, but still work okay.

They have Ubuntu installed, which is very similar to Windows 10. We can provide a few short help videos, to explain how to connect to wifi etc. After this, we are unable to provide any help in using them or fixing them.

We are also unable to take them back, as they could have your personal information on them.

Before asking for one of these devices, please check that you have room in your home for it and will make use of it. There is a photo of the computer below, and they weigh about 10-15kg. By filling out the form below, you will be entered into a raffle and we will announce the winners of the raffle after the holiday.

If you have more than one child at Kobi Nazrul, you can enter the raffle using each of their names.

[Enter raffle here](#)

Deadline: Friday 26th March 2021 at 12pm

This year for Red Nose Day we raised £358.55. WOW! Thank you to all the parents and children for making it a fantastic day.
