

THE ROBI ISSUE 298 NEWSLETTER

FRIDAY 14 JANUARY 2022

Message from the Head

Dear parents and carers,

I hope that this newsletter finds you all well and rested after the break. Let's hope for minimal disruption in 2022; I'm so glad we are not in a lockdown like this time last year. The pandemic is however still affecting schools; particularly with absence for children and staff. We have contingency plans ready to go and hopefully they will not have to be used very much. Where we have to make any significant change due to staff shortages or government guidance, we will let you know.

We have made very few changes to our risk assessment this term as we had kept quite strict measures in place already throughout the Autumn term and will continue with these. However, Boris Johnson did announce some changes last week and again this week.

The isolation period for pupils who have had a positive PCR test has now been reduced to 5 days in most cases (if the criteria below are met):

Children should take an LFD test on both days 5 and 6 of their self-isolation period (must be taken 24 hours apart). If they are negative on both of these days and they have no high temperature or symptoms, then they can return to school on day 6. Anyone who is unable to take an LFD must isolate for the full 10 days.

If your child is a close contact of someone who has tested positive for Covid, they should complete lateral flow tests for 7 days. As long as these tests are negative then they should continue coming to school. Children under 5 should take a single PCR test and continue attending unless they display symptoms or receive a positive test result.

The school does not identify close contacts – this is the role of the NHS Test and Trace team. We can inform you if there has been cases of covid within your child's class, so that you are able to do lateral flow tests with your children to check they haven't contracted covid.

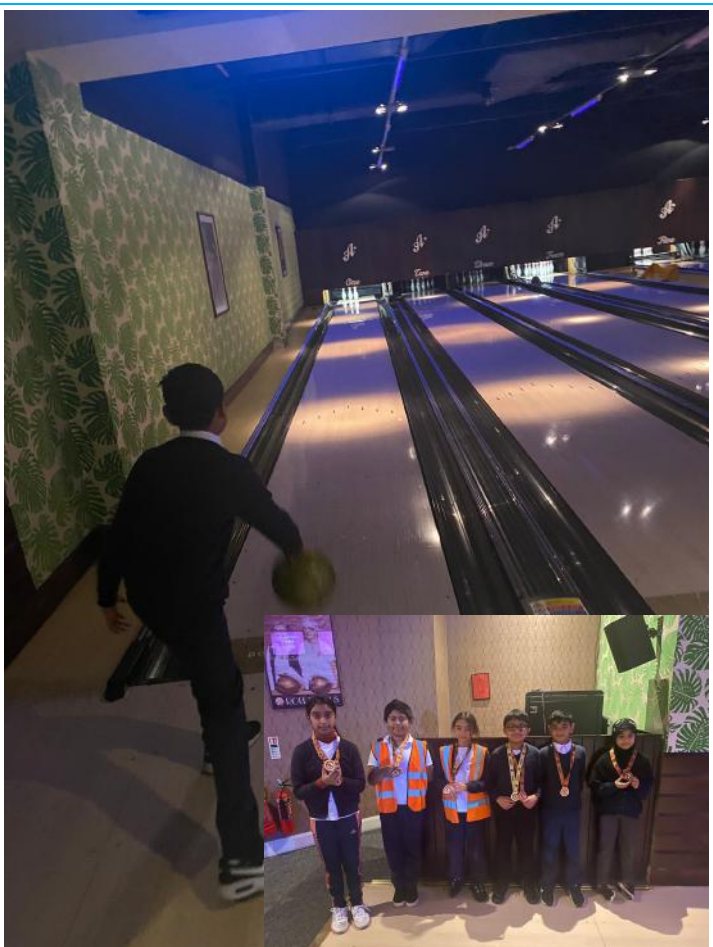

If your child tests positive for covid but they are not unwell, we will be happy to provide remote learning via the Google Classroom or a paper pack.

Finally (and not covid related) please do join me if you can on **Monday 17th January at 9.30am** for a zoom meeting. A chance to catch up but also to have another look at the Safer Streets consultation for our school which has been relaunched and is now live until 23rd January 2022. Local residents should have received a survey paper in the post. You can see the consultation on this link: <https://talk.towerhamlets.gov.uk/schoolstreets>

We will send a link on the morning; I hope to see you there.

Have a great weekend, Belinda.

The Year 5 Kobi All-stars bowling team had a great time attending a ten pin bowling Competition at All Star lanes, Westfield shopping centre. We are proud to announce that our team came third!
Well done Year 5 !!

Attendance

Year Group	Week ending 17.12.21	Week ending 14.01.22
N		87.27%
R	84.46%	84.67%
1	87.59%	94.41%
2	93.31%	93.45%
3	94.68%	87.83%
4	97.77%	95.06%
5	92.57%	95.30%
6	92.65%	85.98%
OVERALL	92.84%	90.81%

Well done to **Year 5** who are the **Attendance Champions**

If you want to be a champion, make sure you come to school on time every day!

On Tuesday 11th January Year 5 & 6 had a brilliant day participating in an Anglo Saxon workshop as part of their topic in History. Not only did we learn lots of interesting facts but we got to re-enact what it might be like to go into battle.

We're very excited to be welcoming top athlete Record Breaking Gianni Franks to the school on 04/02/2022. Record Breaking Gianni Franks will be leading a sponsored fitness circuit with all pupils and follow-up with a talk and question and answer session for the school. The aim of the event is to inspire the pupils to be more physically active, but just as importantly to encourage them to discover and then pursue their passion in life. The aim of the event is both to connect the pupils to an extraordinary athlete role model, and to raise money to improve physical activity for the school while also supporting GB athletes (including Paralympic athletes).

Clubs will start from next week Monday 17th Jan 2022. All clubs start at 3.15pm and finish at 4.15pm. Please ensure you collect your children on time. If children are picked up late on 2 occasions or if they miss 2 sessions they will be put on the waiting list and the space will be offered to another child.

Every child has at least 1 club and children will be in the same club until Easter (except for Cooking Club which will run for 6 weeks as it is a smaller club.)

Children are only allowed fruit or cut up vegetables as a snack and water to drink. All other snacks will be returned to parents.

Any questions? Speak to Ruth.

KS1 (Year 1- Year 2)

Homework - Monday
Drama-tastic - Monday
Arts & Crafts - Tuesday
Chill & Create - Thursday
Gymnastics - Friday

KS2 (Year 3 - Year 6)

Lego - Monday
Art Attack - Monday
Homework - Tuesday
Cooking - Thursday
