ISSUE 325

FRIDAY 20 JANUARY

Message from the Head

Dear parents and carers,

It has been an event filled week at Kobi Nazrul. On Monday I had the privilege of listening to a presentation by a group of our Year 4 boys about bullying. They spoke with confidence and knowledge about some of the reasons why someone may become a bully and the impact bullying can have. They were also able to give the rest of their class advice on what to do if they knew someone was being bullied. Thank you to Ruth for all her work with the group in developing their understanding. They are truly committed anti-bullying ambassadors.

Yesterday was our first Family Breakfast of 2023. It was fabulous to see so many parents and carers attend with their children. Parents and children got a chance to complete a Year 5 arithmetic paper. There were many groans and sighs heard across the hall. A huge thank you to everyone involved for making it such a success.

Finally, as the cold weather continues, so do the winter bugs. As Belinda has said before, if you are unsure as to whether your child is well enough to come to school either give us a call or come and speak to one of us on the gate.

Cath

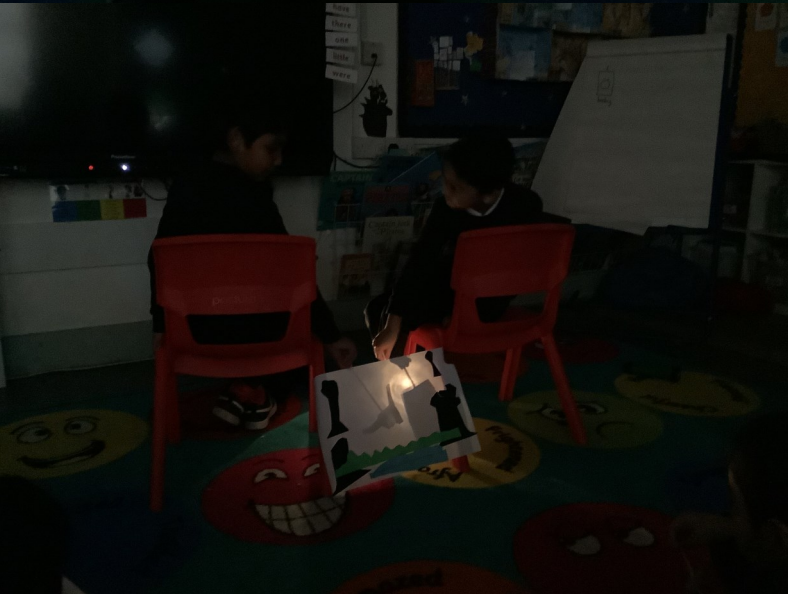

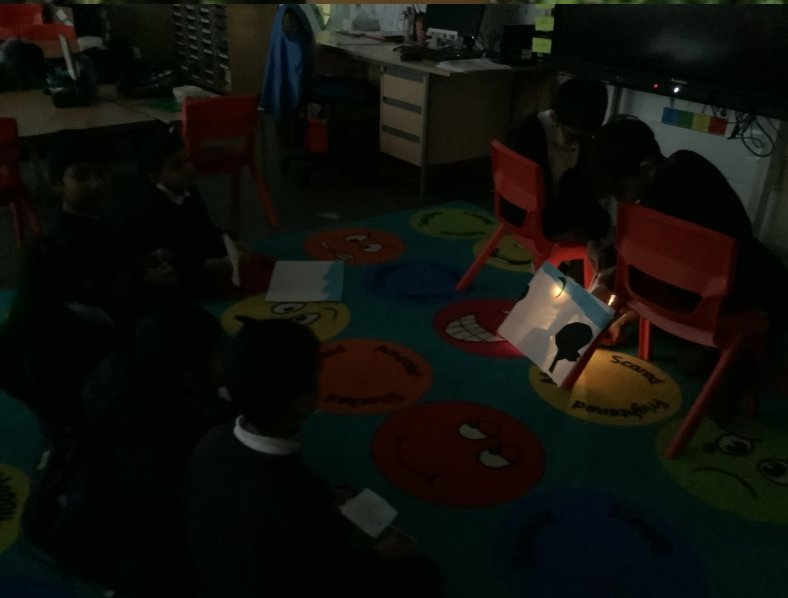

Attendance

Year Group	Week ending 13.01.23	Week ending 20.01.23
N	89.47%	72.34%
R	83.33%	88.15%
1	85.34%	86.99%
2	84.17%	90.00%
3	80.67%	95.00%
4	86.11%	96.07%
5	85.83%	93.65%
6	97.50%	96.33%
OVERALL	86.02%	90.50%

Well done to **Year 6** who are the **Attendance Champions**

If you want to be a champion, make sure you come to school on time every day!

This week during Science club, children were investigating shadows. They learnt that shadows are created by the absence of light and it is not a reflection. They were excited to make puppets and perform their very own shadow puppet show.

Did you know?

Before clocks were invented, sundials were the only way to tell the time! A sundial tells the time of day by the position of the shadow of some objects exposed to the sun's rays.

Above is a picture of a sundial.
