FRIDAY 15 MARCH

Message from the Head

Dear parents and carers,

This week, I had the privilege of taking our School Councillors to the Town Hall to present their ideas for the regeneration of St Georges Leisure Centre. I was so proud of their confidence (not even needing scripts)! Their idea to present in an interview style with each other was like no other school there.

I was really reminded of the power of our children's voices during Friday Celebration assembly also where Year 5 performed 'You're the Voice' - a John Farnham song - and one I grew up hearing a lot. They performed with such energy and enthusiasm. Our children really do create and make the most of opportunities to be heard and to make positive change (a key part of our school vision). From the Town Hall event this week with School Council to children's input around the school; such as creating new jobs in the Job Centre; they really are a force for positive change. It also fits with an saying I hold close to my heart....

Have a great weekend,

Belinda

Never doubt that a small group of thoughtful, committed, citizens can change the world. Indeed, it is the only thing that ever has.

Attendance

Year Group	Week ending 08.03.24	Week ending 15.03.24
R	84.14%	89.66%
1	95.00%	96.43%
2	95.17%	96.21%
3	95.81%	90.07%
4	95.86%	94.83%
5	96.00%	96.67%
6	94.14%	94.14%
OVERALL	93.76%	94.02%

Well done to **Year 5** who are the **Attendance Champions**

If you want to be a champion, make sure you come to school on time every day!

Year 1 and 2 had the opportunity to go to the Teddy bear Hospital on Wednesday. Children learnt about keeping teeth clean, the importance of washing hands with a cleaning hand experiment, healthy food choices for a smoothie and fire safety with a visit from Whitechapel Fire Station. Children enjoyed the afternoon learning songs and playing games. Children even got to spray the fire hose.

PARENT MATHS WORKSHOP

- Do you want to know what calculation methods we teach at school?
- Does your child show you methods you are unfamiliar with?

Then come along to our maths workshop:

We will:

- Explore calculations used for addition EYFS, KS1 and KS2
- Explore calculations used for subtraction EYFS, KS1 and KS2
- share resources used to support calculations

Time: 9:00am – 10:00am

Date: Thursday 21st March 2024

Where: Kobi Nazrul Hall

Who: Becky

Kobi Nazrul vs Bigland Green 08.03.24 Match Report

Boys conceded an early goal but grew in confidence and played some good attacking football to get the game back to 3 - 3 . Missed a golden opportunity to score , to win the game in the final seconds . It was a very entertaining game and great to see them apply what they learnt in lessons .

The girls showed enthusiasm and effort in their 3-0 defeat. Their confidence grew more and more as the game went on but they sadly ran out of time .

Bigland Green vs Kobi Nazrul Dodgeball competition 14.03.24

Well done to our Year 2 and 3 dodgeball competitors. We took on Bigland Green and showed what we are made of with a final score finish of 6 - 3 to Kobi Nazrul. Great teamwork, strategy and agility was seen by our players. Well done.
