FRIDAY 14 JUNE

Message from the Head

Dear parents and carers,

Thank you so much for making our Family Funday really special again this year. And a very big congratulations to Samuel's family for winning the TV. I love the opportunities at this time of the year especially, to spend time with you all more informally. And of course next week, we have the family seaside event to Camber Sands. Fingers crossed for some better weather.

And to finish, a special shout out for all of your support on Sports Day...especially parents and carers who modelled the importance of participating and 'having a go'. It is lovely to see children's faces filled with pride when their family members join in!

Have a lovely long weekend and Eid Mubarak.

Enjoy the very special time with family and friends.

Best wishes, Belinda

Well done to **Year 6** who are the **Attendance Champions**

If you want to be a champion, make sure you come to school on time every day!

On Funday we celebrated something very special! Between Tony, James, Cath, Monwara, Shazna and Shahanara, they had together given 171 of service to teaching and learning. From all the children, staff and parents, we want to say a big thank you to them for all their hard work over the years.

Healthy tuck shop continues to be a roaring success

Our Friday break time tuck shop, which has now been running weekly for the summer term, has now become open to Years 3 to 6. The tuck shop continues to be a great success thanks to the generosity and skill of parents who have made delicious, homemade snacks such as savoury croissants, hummus, pinwheel pizzas and today, mildly spiced chicken rolls. Parents have told me that it has helped their children try new food which is great to hear!

Next week will feature 'Cheerio' bars. School councillors have become professionals at making the perfect smoothie consistency. We have rotated between tropical, banana and strawberry and summer fruits. Our total profit so far (considering our £5 float and £20 on smoothie and dried fruit) is approximately £160!

School council hope to buy a new blender for the bus as this will not only benefit the tuck shop but also cooking club and breakfast club. The rest of our profit may go towards new school council projects next year (September is our election month!) and frozen fruit to continue the tuck shop which ideally will become a job for the job centre to manage so that the new school council get to implement their vote winning ideas for our school and community.

As ever, watch this space!

We will have Eid parties on Tuesday 18th June in the afternoon. Children can come in wearing their special clothes with a £1 contribution which will be given to children who are less fortunate than us.

Parents can donate food for the parties. Please bring any food after 12pm. Please also make sure you inform the class teacher of the ingredients used to make the food so that we can keep children with allergies safe.

School will be closed on Monday 17th June for Eid.

On Tuesday we will put the seaside coach list on the parent notice board. You must be at the school and registered by 7.50am. Coaches will start to depart from 8am.
