

Dear parents and carers,

This week we have several examples showing how we are developing ethical young citizens at Kobi Nazrul.

Encouraging and supporting our children to become ethical, informed citizens is an important part of our educational purpose at Kobi Nazrul.

Our school councillors were off to Swanlea today to prepare for Pupil Parliament and begin to think about the positive actions they would like to take this year to develop our community. Later in the month, they will have the opportunity to question key community leaders and find out how they are addressing local community issues.

Another way in which we show this is through our charity work such as our work to support Children in Need today. Kobi's Got Talent was a huge success alongside all of the fundraising activities we had. Thanks so much to families for their contributions whether it

be through making cakes, preparing children for the talent show or making donations. Next week, we will let you know how much we have raised.

Have a good weekend, Belinda.

Well done to **Year 6** who are the **Attendance Champions**

If you want to be a champion, make sure you come to school on time every day!

Today, we took part in Children in Need to raise money and awareness for children who are less fortunate than us.

Children came in dressed in yellow or spots and donated £1 for Children in Need.

In the morning we had a talent show - and we had a LOT of talent on show.

After much deliberation, the judges chose the 3 winners.

In 1st place was Ruqayyah with her poem Evacuee which was about someone brought evacuated from the war and what they would pack.

YEAR 2 TRIP

As part of their learning on the Great Fire of London, Victoria Class (and Paddington Bear) visited Pudding Lane and the Monument on Wednesday.

Here's what Khadijah H had to say about it: Inside the big (wide) Monument the spiral stairs are very hard to count. I counted 311 steps. From the top you could see nearly all of London. We saw Tower Bridge, the River Thames, the Gherkin, the Shard, St Paul's Cathedral and much more! It lasted forever to climb from bottom to top and top to bottom! But what a fantastic day!

LATEST NEWS

Year 2 had a special visitor on Thursday afternoon to teach them all about carbon monoxide, the dangers of it and how to keep safe. Safety Seymour - the superhero bear - will be spending two days at a time at the homes of each of the children, carrying out activities and helping them learn more about safety in the home. The workshop was fun, engaging and very educational! Well done Year 2, and thank you Safety Seymour!
