A sponge might come in handy.</p>

Dear Parent,

This is your child's homework menu for this half term. Choose a day which is convenient for you to support your child with their homework. With your child, choose one activity box to dip into and do. Let your child choose what they would like to do each week. We want all of our children at Kobi Nazrul Primary to become independent learners. Thank you for your support in continuing to make learning fun for your child.
